## Keeping It Old-School ▶

I was a big collector of dolls and love the vintage vibe of these soft, squeezable rag dolls. But they also manage to feel modern in their bright clothes. I can think of a number of tots who would love to cozy up with one. (Cinnamon Annie dolls, large, \$95, medium, \$85; [etsy.com/shop/stepstitches](https://www.etsy.com/shop/stepstitches))

After this past year, I think we all deserve some surprises and delights for the holiday season. That's why we worked hard to find these truly incredible items. Extra important to us this year? Celebrating small businesses, women-owned brands, and items created by people of color. You're bound to find something for everyone on your list. Just don't forget to treat yourself!

## Jam Session

With their new addition, I know what I'll be getting Gayle's daughter, Kirby, and her family for Christmas. Brought to you by Jessica Alba's Honest Company, these organic cotton unisex pajamas come in iterations for everyone from Baby to Mama and Papa Bear (and pets!). Can't you just picture the Christmas morning photo op? **(Organic cotton pajamas for the family, \$15 to \$40 each, and pet bandanna, \$13; honestbabyclothing.com)**

## Chill Factor

I've gotten some of my best ideas during a good soak. Speaking of bright ideas, this brand decided to combine Epsom, Dead Sea, and Himalayan salts for one transportive blend. And look at the bottles—so elegant! **(Sel de Bain botanical mineral salts, originally \$40 to \$110, now 20 percent off with code OPRAH; voyageetcie.com)**

## The Bold Shoulder

Comfort and sassiness. That's what this smart-looking bamboo-blend jersey T-shirt has. Designed by Kiya Tomlin, wife of Pittsburgh Steelers head coach Mike Tomlin, it has an asymmetrical neckline and draped shape that won't make you look like a linebacker. **(Twisted Tee in Jersey, originally \$109, now 20 percent off with code OPRAH; kiyatomlin.us)**

## What a Kick

You can count on Tory Burch to make boots built for rain and snow that are so good-looking, you'll want to wear them when there's nary a cloud in the sky. The color on these brightens up a dark day or outfit, and they have a slip-resistant lug sole and a slight wedge inside for even more of an uplifting effect. **(Foul Weather boots, \$228; toryburch.com)**

## Pencil It In

I believe mindfulness is something every kid can benefit from, which is why I love this coloring book. Each letter of the alphabet is paired with a poem meant to introduce young brains to the concept. It also comes with colored pencils with affirmations like "I am enough" and "I deserve to be happy" etched onto them. Can't go wrong with strong messages like that! **(ABCs of Mindfulness and Affirmation coloring pencils bundle, \$37; mindfulandcokids.com)**

## A Clean Sweep

This new little wonder makes hand sanitizer hands-free. Touchless motion-sensing technology delivers a moisturizing mist of protection in one of four scents—and it looks way cooler than anything else I've seen. **(Snap Clean Hands, originally \$80, now 20 percent off with code OPRAH; snappyscreen.com)**
